

**Paragon Handwrap** Paragon is a premier manufacturer of stretch film, and has a diverse offering of cast handwrap. From either its Global label or its Edge label, there is an offering of over thirty standard sizes. With this wide range, as well as custom sizes, Paragon has the handwrap to meet your needs.

Paragon handwraps adhere to Paragon's high standard for quality, and possess the same crystal clear optics and superior cling characteristics as its machine wrap products. And like all Paragon products, Global Handwrap and Edge Handwrap come with a 100% satisfaction guarantee.

**Global Handwrap** is the pinnacle of hand-applied stretch films available. Its puncture resistance and unparalleled load-holding force separate Global Handwrap from the competition. It provides exceptional toughness and cling. All these characteristics combine to make Global Handwrap the very best in performance and value.

**Edge Handwrap** is a performance product with high stretch and superb load-holding force. By using a blend of enhanced resin, and a multi-layered design, Paragon has developed a handwrap with "workhorse" toughness. Edge Handwrap is guaranteed to give your package the protection it deserves.

Paragon Films, Inc. is an ISO 9001 Registered Company.
